EaseMyTrip Enters Exclusive Partnership with MSTC Ltd. to Power Travel Services for Govt Sector

New Delhi, 27 March 2026: EaseMyTrip (Easy Trip Planners Ltd.), one of India's leading online travel-tech platforms, has entered into an exclusive partnership with MSTC Ltd., a Government of India enterprise under the Ministry of Steel, to provide comprehensive, technology-enabled travel solutions.

Under this agreement, EaseMyTrip will integrate its APIs with MSTC's system, enabling access to a wide range of services including flights, hotels, holiday packages, bus bookings, activities, and cab services.

Through this strategic collaboration, MSTC will facilitate Corporate Travel for Govt Sector Organisations, leveraging EaseMyTrip's extensive travel inventory and advanced technology infrastructure. The partnership enables EaseMyTrip to expand its presence within the institutional and government travel segment, while enabling MSTC to streamline procurement and booking processes across its network.

EaseMyTrip will also provide end-to-end technical support to ensure smooth integration, efficient booking capabilities, and a user-friendly experience for MSTC's users.

Commenting on the partnership, Rikant Pittie, CEO & Co-Founder, EaseMyTrip, said, "This exclusive partnership with MSTC Ltd. marks a strategic expansion of EaseMyTrip into the Govt sector travel segment. By combining MSTC's institutional reach with our technology and supply ecosystem, we aim to deliver seamless and reliable travel solutions for Govt sector organisations across the country."

This initiative aligns with the growing need for digitised and centralised solutions across Govt sector organisations. With this partnership, EaseMyTrip further strengthens its position as a preferred technology partner for large-scale, high-value segments.
