

# Sebi tightens NPA disclosure framework for listed banks

PRESS TRUST OF INDIA  
New Delhi, October 31

**PUTTING IN PLACE** a stricter framework, Sebi on Thursday directed all listed banks to disclose any divergence in bad loan provisioning within 24 hours of receiving RBI's risk assessment report, rather than waiting to publish the details in their annual financial statements.

In recent months, there have been several instances of under-reporting of bad loans by lenders, prompting regulatory action by the RBI.

Sebi's latest decision has been taken in consultation with the Reserve Bank of India (RBI).

In a circular, Sebi noted that disclosures in respect of divergence and provisioning are in the nature of material events and hence necessitate immediate disclosure. Further, this information is also price sensitive, requiring prompt disclosure by a listed entity.

Accordingly, the regulator has decided that "listed banks shall make disclosures of divergences and provisioning beyond specified threshold, as mentioned in aforesaid RBI notifications, as soon as reasonably possible and not later than 24 hours upon receipt of the Reserve Bank's Final Risk Assessment Report (RAR), rather than waiting to publish them as part of annual financial statements".

This new framework will come into force with immediate effect, it added.
